- **Payment with credit card:**

Only if you make the payment in the Calvià Sports Centre you will be able to take your season ticket on the same day. If you make the payment in any of the other two remaining offices, you will be given a provisional document to use until the original is ready at the office chosen.

- **Payment through bank institution/ tax collection office:**

Once the payment is made in either the bank institution or in the tax collection office, you will have to return to the office where the season ticket will be issued automatically, if you deposit it at the Calvià Sports Centre's reception desk. In case of doing it at the other two remaining offices, you will be given a provisional document to use until the original is ready at the office chosen.

- You ought to respect the timetable indicated otherwise no formalities will be processed.
