Nit de Foc with demons from the Factoria de So

A fireworks show that will transform the seafront promenade into a place of demons and extraordinary mythological creatures that will make you dance to their infernal rhythm.

Specific safety measures for participants:

Recommended clothing: old clothes (non-flammable, cotton and long sleeves), long trousers, cap or hat, cotton neckerchief and flexible covered shoes (trainers).

Do not throw water.

Do not place children on the front rows of the correfoc.

Do not bring or use your own pyrotechnic products at the Nit de Foc.

Respect the fire performers, their assistants and the musicians. Do not get in the way.

Follow any instructions given by the organisers, officers of the law and healthcare personnel. If you get burned, go immediately to the healthcare assistance stations (Civil Protection and ambulance).

Glasses and camera lens may be damaged by sparks.

Those taking part in the Nit de Foc are entirely responsible for their own safety and for any accidents that may occur when not following the indicated recommendations and prevention measures.

The correfoc will take place on the seafront promenade. The Local Council accepts no responsibility for any accidents that may occur beyond this area.

The image features the iconic Coca-Cola logo in white, set against a solid red background. The logo is written in the classic Spencerian script, with a registered trademark symbol (®) positioned at the top right of the word "Cola". The letters are fluid and interconnected, with the "C" and "o" in "Coca" and the "o" and "l" in "Cola" showing significant overlap and elegant curves.
